Description:

An Awareness Program on Cell Phone Usage titled “**Smart Use of Smart Phones**” was organized on **16-09-2025** at **GHSS, Vellakovil**, with the participation of **33 students**. The primary objective of the program was to create awareness among students about the responsible, safe, and productive use of smartphones in their daily lives.

The program focused on highlighting both the advantages and disadvantages of mobile phone usage. Students were sensitized to the positive applications of smartphones for education, communication, accessing learning resources, developing skills, and staying informed. At the same time, awareness was created regarding the negative impacts of excessive smartphone usage, including reduced concentration, poor academic performance, sleep disturbances, social isolation, and physical health concerns.

Faculties and Students of Jai Shriram Engineering College, Tirupur conducted Awareness Program on Cell Phone Usage - Smart use of Smart Phones on 16.09.2025
