Respected Sir/Madam,

Subject: Requesting Permission to Conduct Awareness Program on Plantation – Green Drive for a Clean Future

SRC club of Jai Shriram Engineering College has planned to organize an **Awareness Program on Plantation – Green Drive for a Clean Future at Government Higher Secondary School, Uthamapalayam**, on 23-08-2025. The objective of this program is to spread awareness about the importance of tree plantation and environmental conservation among school students.

I kindly request your permission to conduct this outreach activity and represent our institution in this noble cause. The event will include a short awareness session, followed by a tree plantation drive in the school premises. Also request your approval for the participation of SRC Coordinators and selected student volunteers in this event.

Thank you

Avinashpalayam

Name of the Programme : Awareness Program on Plantation - Green Drive for a Clean Future

Date of the Event : 23-08-2025

Place of the Event : GHSS Uthamapaalayam

No of the Students Participated : 49

Description:

The Awareness Program on Plantation – “Green Drive for a Clean Future” was conducted at GHSS Uthamapaalayam on 23rd August 2025. The program aimed to raise awareness about the importance of tree plantation and environmental conservation among students and the community.

The event began with a brief inaugural session where teachers and coordinators highlighted the significance of planting trees to combat pollution, reduce carbon footprint, and promote ecological balance. Students enthusiastically participated in the plantation drive, planting a variety of native saplings in and around the school premises.

Faculties and Students of Jai Shriram Engineering College, Tirupur explained about Awareness about Plantation to GHSS Uthamapaalayam on 23-08-2025

JAI SHRIRAM ENGINEERING COLLEGE

Recognized by UGC & Accredited by NAAC and NBA (CSE and ECE)

Resource persons and staff members shared valuable insights on sustainable practices and the role of youth in protecting the environment. The students took a pledge to nurture the planted saplings and spread the message of green living to their families and neighborhoods.

The program created a sense of environmental responsibility and unity among participants. It encouraged everyone to take small but impactful steps toward building a cleaner and greener future

Presenting Plants to faculties of GHSS Uthamapalayam

The program successfully fostered an eco-friendly mindset among the participants, promoting values of sustainability and social responsibility. Students were not only made aware of the significance of trees but also encouraged to spread the message within their communities. By engaging directly in plantation activities, they gained practical experience and a deeper appreciation for nature. The event concluded with a pledge to protect the environment and promote green practices in their daily lives, aligning well with educational objectives of nurturing responsible and environmentally conscious citizens.
