Circular

This is to inform all the Department Coordinators, Faculty Members and Students that the **National Service Scheme (NSS)** is organizing a **Clean India Campaign – Rally on Waste** for the Academic Year **2023–2024**.

The programme aims to create awareness among students and the public about the importance of cleanliness, proper waste disposal, waste segregation and maintaining a clean and healthy environment. The rally will encourage students to actively participate in promoting responsible waste management practices and spreading the message of “**Clean India**” among the community.

In this regard, all the Department Coordinators are requested to participate in the rally along with their students and extend their cooperation for the successful conduct of the event.

Report on “CLEAN INDIA CAMPAIGN – RALLY ON WASTE”

Description:

The programme commenced with a warm welcome to the gathering, followed by an awareness session on the importance of **cleanliness, proper waste disposal, waste segregation, and environmental protection**. The NSS Programme Officer and faculty members addressed the students and explained the harmful effects of improper waste disposal on human health and the environment. They emphasized the responsibility of students and citizens in maintaining clean and hygienic surroundings.

Following the awareness session, a **Clean India Campaign – Rally on Waste** was organized by the NSS volunteers and students. The participants actively took part in the rally by carrying **awareness placards, banners, and slogans** highlighting the importance of waste segregation, reducing waste, avoiding littering, and maintaining cleanliness. The rally was conducted to spread awareness among the public and encourage responsible waste management practices.

The programme successfully created awareness among students and the public about **cleanliness, waste management, environmental responsibility, and the importance of keeping the surroundings clean**. The NSS volunteers actively contributed to spreading the message of the **Clean India Campaign** and encouraged the community to adopt responsible waste disposal and cleanliness practices.

Programme Outcome:

Students:

1. Develop awareness about the importance of **cleanliness and proper waste disposal**.
2. Understand the harmful effects of **improper waste disposal and littering**.
3. Develop responsible habits related to **waste segregation and waste management**.
4. Improve **communication, teamwork, leadership, and social responsibility skills** through participation in the rally.

Institution:

1. Promotes a **clean, hygienic, and environmentally responsible campus culture**.
2. Strengthens the institution's commitment towards **cleanliness and sustainable waste management**.
3. Encourages students to participate actively in **community awareness and social responsibility activities**.
4. Contributes to creating public awareness about the objectives of the **Clean India Campaign**.
